

2018 Membership Drive

Manchester Historic Society's Annual Membership Drive is on now for 2018! A growing membership allows MHS to be a stronger force to work for historic preservation in our neighborhood, and we want you to be a part! As you are probably aware, MHS took ownership of the Colonel James Anderson House (the former Anderson Manor) in early 2016, and we are working on a long-term plan to use the building as a community asset for all in Manchester, as well as developing fund-raising initiatives to help restore the building to its former grandeur.

Dues in the amount of \$5.00 per member are now payable for the 2018 membership year. Members can join at any time during the year. Members who join by March 8, 2018, will be 2018 voting members (ie. for Board of Directors elections).

Please complete the attached form and submit with payment to Manchester Historic Society, c/o 1201 West North Avenue, Pittsburgh, PA 15233. Cash and/or personal checks are acceptable; checks should be made payable to Manchester Historic Society, Inc. Please note we cannot accept payment for membership with checks drawn from other organizations or businesses.

If you know someone new to the neighborhood who may be interested in joining, please feel free to pass this information along to them. Extra copies of the Membership Form can be requested from Amy Welch at awhissen@gmail.com. One last reminder, membership to MHS is limited to Manchester residents. Businesses and other organizations cannot be members.

Make a note on the membership form if you're interested in being involved in the MHS Board, we would love to have you!

We look forward to your participation!

Sincerely,

The MHS Board of Directors

Serving on the Board

Manchester Historic Society board works to further preservation of our historic neighborhood, while organizing programming and projects for community enrichment. Past projects have included spring and fall cleanup days, the House Tour, community garden support, and holiday decorating contests. The board also organizes several neighborhood socials per year, allowing new neighbors to become more involved. The full board meets once per month, with subcommittees managing specific projects meeting as needed. All MHS members in good standing who live in Manchester are eligible to serve on the board.
